X; **CGPA: 9.40/10.00 %**   *Jul 2016 – Jun 2017*

WORK EXPERIENCE

Amisys Software Developers   Ahmedabad, Gujarat, India
Website Developer Intern   *Jul 2023 – Dec 2023*

- Developed three web projects using the Django framework: Blogstop, Recipehub, and a basic CRM project under the guidance of experienced developers.
- Utilized Django framework for backend development, creating robust and scalable web applications.
- Applied HTML, CSS, and JavaScript to craft responsive and user-friendly interfaces.

CERTIFICATES

Meta Back-End Developer Certificate | *Certificate*
Programming with JavaScript Certificate | *Certificate*

PROJECTS

A Recipe-Hub Project | *GitHub* | *Live Demo*

- A Django Project which implements a dynamic search functionality enabling users to find recipes based on specific ingredients, enhancing the platform's usability.
- Designed and built the backend infrastructure to handle recipe data, ensuring efficient retrieval and display.
- Utilized HTML, CSS, and JavaScript to create an intuitive and responsive user interface.

A Blogstop Project | *GitHub* | *Live Demo*

- Developed a Django-based website catering to blogging enthusiasts.
- Implemented features enabling users to create, edit, and comment on blogs, fostering a collaborative online community.
- Introduced an intuitive categorization system for efficient content organization and discovery.
